CUSTOM BUILDING IMPROVEMENTS ASSISTANCE

RECEIVE FINANCIAL INCENTIVES
FOR YOUR ENERGY-EFFICIENT FACILITY

The Custom Building Improvements (CBI) Assistance Program offered by FirstEnergy Pennsylvania provides complimentary analysis and financial incentives to help offset the cost of implementing energy-efficient strategies for existing commercial, industrial, government and institutional buildings. Our program provides you with the tools and incentives to improve your building's energy performance.

COMPLIMENTARY ANALYSIS

Customized analysis shows the energy savings, cost savings and incentives associated with your energy efficiency plans. Receive results that align with your implementation schedule.

INCENTIVE¹

Help lower the cost of implementing strategies. Incentives are based on annual electric savings through FirstEnergy Pennsylvania

¹ To be eligible for incentives, all lighting must be DesignLights Consortium (DLC) or ENERGY STAR® listed, and all food service equipment and appliances must be ENERGY STAR rated. Incentives are paid upon construction completion.

Coincident peak window: June 1 – August 31, 2–6 pm, non-holiday weekdays

CUSTOMER ELIGIBILITY

Custom Building Improvements Assistance is available for most project types including commercial, institutional, industrial, and multifamily common areas. To qualify, projects must be:

- In FirstEnergy Pennsylvania's service territory
- An existing building that is heated and cooled and is exploring:
 - Building shell improvements such as wall/ceiling insulation and windows
 - A project scope that impacts multiple, interacting systems (HVAC, lighting, envelope) in the building
